

DIY Natural Flea & Tick Repellent for Dogs

Ingredients

- 1 cup distilled water
- 2 tablespoons apple cider vinegar (organic if possible)
- 10 drops lavender essential oil
- 10 drops cedarwood essential oil
- 5 drops lemon eucalyptus essential oil
- A small spray bottle (preferably amber glass)

Instructions

1. In a bowl or measuring cup, combine the distilled water and apple cider vinegar.
2. Add the essential oils and stir gently to mix.
3. Pour the mixture into your spray bottle using a funnel if needed.
4. Shake well before each use.

How to Use

- Lightly mist your dog's coat before walks or playtime in nature.
- Avoid the eyes, nose, and genitals.
- Reapply after swimming or heavy rain.
- Store in a cool, dark place and use within 1 month.

Why It Works

DIY Natural Flea & Tick Repellent for Dogs

Each essential oil is known for its natural insect-repelling properties. This homemade spray is a great alternative for van lifers and nature lovers who want a chemical-free solution while traveling with their dog.
